

ICCFD10

INTERNATIONAL CONFERENCE ON COMPUTATIONAL FLUID DYNAMICS

Dear Potential Sponsor,

The International Conference on Computational Fluid Dynamics (ICCFD10) will be held July 9-13th, 2018 at the in Barcelona.

This biennial event began in the year 2000 with the merger of two important CFD International Conference on Numerical Methods in Fluid Dynamics (ICNMF), and the International Symposium on Computational Fluid Dynamics (ISCFD), which had been around since 1969 and 1985, respectively. The first ICCFD conference back in 2000 was held in Kyoto, Japan. Since then, it has been held biannually , in Sydney in '02, Toronto in '04, Ghent in '06, Seoul in '08, and St. Petersburg in '10. Hawaii in '12, Chengdu in '14 and the last conference was in Istanbul in '16.

The conference co-chairs would like to invite you to sponsor the event this year. The conference consists of 5 days of Technical sessions with an invited speaker each day. Sponsor tables will be set up in the courtyard area of the venue where food service will be set up during the week, this will allow for attendees to visit your display table.

Suggested sponsorship rate is:

- €2000: Acknowledgement on the event website, programme and a demo stand at the event (4.5 days)

All sponsors will be acknowledged on posters boards during the conference and also in the event program and website.

Please contact Neil Ashton (neil.ashton@eng.ox.ac.uk) with your intent to sponsor by December 15th, 2018.

Please see the conference web page at: <http://www.iccfd.org/iccfd10/index.html> for more details on the event.

We are looking forward to working with you on this event.
